

ERDŐS CENTER POSTDOCTORAL FELLOWSHIPS

Alfréd Rényi Institute of Mathematics

The Alfréd Rényi Institute of Mathematics is seeking applicants for 6-month or 1-year postdoctoral research fellowships in the fields of

singularity theory or low dimensional topology

The positions are within the special semester program [Singularities and low dimensional topology](#) of the new Erdős Center. Candidates are expected to show outstanding promise in mathematical research and active participation to the aforementioned research semester.

Two types of positions are offered:

- 6-month postdoc positions, with start date in January 2023;
- 1-year postdoc positions, with start date in September 2022.

Candidates can apply for a 6-month position, a 1-year position, or both.

All positions come with no teaching duties. Candidates are not required to speak Hungarian. The gross salary will be 900,000 HUF per month¹, supplemented by a travel grant. The amount of the travel grant will be of 250,000 HUF for 6-month positions and of 500,000 HUF for 1-year position.

Deadline for application: 28 February 2022.

Applications must be sent by email to erdos.sldt.positions@renyi.hu, with subject:

- “6M postdoc” if the candidate is applying for a 6-month position;
- “1Y postdoc” if the candidate is applying for a 1-year position;
- “6M+1Y postdoc” if the candidate is applying for both positions;

The application should include:

- a CV;
- a list of publication;
- a statement of purposes, consisting of 1-2 pages on past research, 1-2 pages on future research, and at least a paragraph explaining the relevance of the research semester to the candidate’s research;
- two letters of recommendation should be directly sent to erdos.sldt.positions@renyi.hu.

Applicants will be notified about the decision by 1 May 2022. For further information, please contact erdos.sldt.positions@renyi.hu.

¹The net salary in Hungary is 2/3 of the gross salary, unless tax discounts apply. For information on the cost of living in Budapest, see <https://www.numbeo.com/cost-of-living/in/Budapest>
