Erdős Center postdoctoral fellowships

Alfréd Rényi Institute of Mathematics

The Alfréd Rényi Institute of Mathematics is seeking applicants for postdoctoral research fellowships in the field of

complex geometry.

The positions are within the special semester program **Analysis and geometry on complex manifolds** of the Erdős Center. The main activities of the semester are two summer schools in August and two workshops in September, see
https://erdoscenter.renyi.hu/articles/complex-manifolds.

The applicant should fulfill all the requirements to hold a PhD by August 1, 2025. All positions come with no teaching duties. Candidates are not required to speak Hungarian. The gross salary will be 1.000.000 HUF per month[1]. The duration of stay of the postdoctoral position is between 3-12 month.
Tentative start date August 1, 2025.

Deadline for application: 28 February 2025

Send applications by email to complex.geometry@renyi.hu, with the subject: postdoctoral fellowship.

The application should include:
- a CV;
- a list of publications;
- a statement of purpose, consisting of 1-2 pages on past research, 1-2 pages on future research, and at least a paragraph explaining the relevance of the research semester to the candidate's research;
- the intented starting day and length of stay in month

The applicant should arrange for two letters of recommendation to be sent directly to (with the name of the applicant in the subject line) complex.geometry@renyi.hu.

---

1   The net salary in Hungary is 2/3 of the gross salary, unless tax discounts apply. For information on the cost of living in Budapest, see https://www.numbeo.com/cost-of-living/in/Budapest
